

Cabot School

Dear Parents,

Cabot School believes that learning experiences extend beyond the walls of our classrooms. While our immediate campus is limited in outdoor resources, the potential for significant learning exists within a very short walking distance from the school's property boundaries.

Rather than issue and collect permission slips each time classes would like to access one of these resources, we are asking you to give permission for your child to join his or her class in walking with teachers to locations within Cabot during the school day including:

- Cabot Recreation Field
- Village Locations
- Masons' Hall (kitchen, meeting space, community service opportunities)
- Willey Building
- Wooded area behind the school playground
- Cabot United Church basement (kitchen)

Students will be supervised by their teachers at all times off-site. Teachers accessing these sites will leave a detailed itinerary at the office and will sign in and out each time. Teachers will carry radios to communicate back to school-based personnel. All sites are within a 10 minute walking distance of school property.

If you have any questions or concerns, please don't hesitate to contact me directly by phone or email. Thank you for supporting these extended learning areas.

David Schilling
Principal, Cabot School

I give permission for my child, _____, to
access the above off-property areas with his or her teachers.
