

School Closings & Delays

If school is delayed or cancelled, you will receive a call from our automated calling system. It will also be posted on our website. Closings and delays are also sent to local radio and TV stations.

Unsafe roads and other emergencies may require school to close or to open late. When there is a late opening, pre-school class does not meet. When school is closed for the full day or is dismissed early due to a weather or other emergency, there will be no after-school or evening activities. Please do not ask for an exception as this can jeopardize student safety & cause disruption and confusion for staff and families.
