Washington Northeast Supervisory Union has chosen Concentra as the preferred medical resource for the treatment of **work related** injuries and illness for the teachers and staff of Cabot School and Twinfield Union School and the Supervisory Union. Concentra has earned a reputation for high quality, timely, and effective care which is essential for prompt resolution of injuries. They have successfully treated thousands of employees from many businesses in our area. All needed services for work-related injuries and illnesses are available under one roof and are provided by a skilled professional staff. Concentra will also serve as a resource to the Supervisory Union for DOT physicals for bus drivers.

To Access Concentra's Urgent Care Services between 8 a.m. and 5 p.m. on school days:

- * Contact your Supervisor and/or school nurse or building administrator who will document your injury or illness
- * The Supervisor will refer you to Sylvia Charron Workers Compensation Coordinator for WNESU, who will assist you to get the services you need.

To Access Concentra's Urgent Care Services after hours:

- * Contact your supervisor who will document your injury or illness.
- * The Supervisor will call Concentra After Hours program, and will assist you to get the services you need.

Concentra will communicate the nature of your injury to your supervisor so we may find modified duty to help you return to work as soon as possible.

- * **Washington Northeast Supervisory Union** is committed to helping you get appropriate medical care for work related injuries and this important plan will help.
