

Twinfield Learning Center (TLC) Afterschool Program

TLC, Twinfield Union School's after-school program, offers a safe, educational and enriching blend of activities for students in grades k-6. TLC is open Monday-Friday from the end of the school day until 5:30 whenever school is in session. Students may participate for one to five days a week or just for specific activity strands that interest them.

TLC's skilled team of instructors includes experienced teachers and community members who bring a diversity of skills to share with students. This staff works closely with Twinfield faculty to provide students with personalized academic and emotional support.

As a registered school age child care program, TLC participants are eligible for subsidies through the Vermont Department of Children and Families. Paperwork to apply for subsidies is available through our office or the DCF website. Our daily rate for the 2013-2014 school year is \$14/day. Interested families can contact TLC Site Coordinator Carrie Riker at 426-3213 ext. 208 or carrieriker@twinfield.net.
